LAND CLASS DESCRIPTIONS

This class will tighten and tone your whole body. Resistance training with balls and bands to increase all over, total body strength.

Pilates Sculpt

A class designed to strengthen & stretch the whole body, making the muscles longer, leaner & well defined as well as improving flexibility.

*Adv. Step

This class will advance you to the next level of step aerobics. Dynamic combinations of step choreography will keep your workout exciting and new.

**Must be 15 yrs. or older*

Silver Sneakers

Music and workout especially designed to meet the needs of mature and/or physically challenged adults. Build muscular strength and endurance with the assistance of chairs, resistance bands and balls, hand-held weights and your own body weight.

Benefits: improve coordination, posture, muscular and joint strength.

Yoga

A class designed to help you improve strength, flexibility, balance, posture & reduce stress.

Core & More

A total body strength training class with emphasis on the core muscles to tighten & tone your mid-section.

Static stretches at the end of class makes a well rounded addition to your workout.

Beginning Step

Cardio step class designed with the novice exerciser in mind. Gentle step choreography set to energizing music to start your day. Risers available for the intermediate exerciser.

All-Over Toning

*Boot Camp

A high impact, interval training class to get the maximum burn with toning. A great workout finished in a 30 minute class. **Must be 15 yrs. or older.*

*Spinning

An indoor workout with outdoor fun! Focuses on lower body strength and endurance. Added hand-weights for the upper body. **Must be 15 yrs. or older.*

Body Blast

Have a blast while boosting your metabolism, strengthening and sculpting muscles, and improving your cardio-vascular endurance through interval training to upbeat music. We will combine step aerobics, Bosu aerobics and toning, floor aerobics with strength moves for a calorie-burning workout. Invigorating!!

Step-N-Sculpt

Strengthen your cardio-vascular system while sculpting legs, lower body and all major muscles (including core) through the use of a step bench (and occasionally a Bosu). This class will add a little “oomph” to your weekly workout routine and could possibly even be your “plateau breaker.”

Zumba

This class fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic workout system

that will blow you away. Routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat.

Mid-Morning Cardio

Low-impact floor cardio. This class is for anyone who wants the benefits of an aerobic workout minus the “bounce” or impact. Includes light toning and stretch. Benefits: Burn calories, improve cardio-vascular health, posture, coordination and circulation.

A.B.S. Class

Abdominals-Back-Strength

15-minute class exclusively to strengthen the abdominals and back.

Tai Chi

An especially designed form of Tai Chi sponsored by the Arthritis Foundation. Originating in ancient China, Tai Chi is a gentle exercise that is easy to learn. Effective and safe motions increase heart and lung activity, aligns posture, improves balance and integrates the mind and body. Suitable for anyone.

Kickboxing

Designed to use kickboxing moves to get your maximum benefits of cardio needed to burn the calories & tone up muscles. Strength toning.

Smokin Yoga

This class is sure to burn the calories, make you more flexible and to give you an over all relaxing feeling. This class will be taught on the pool deck in 85°heat. (bring a sweat towel) Wear regular YOGA clothes or shorts and shirt. You must provide your own YOGA mat (for germ control in a heated area).
