

Community Partners Campaign

The YMCA is holding a Community Partners Campaign to raise funds for the Scholarship Program. This will be used so no child or family is turned away due to inability to pay.

The YMCA means more than just meeting the constitutional requirements for certifications. The YMCA is a non-profit organization; our mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

In 2009 the YMCA gave over \$100,000 in scholarship and programs to those less fortunate. Although the YMCA has guidelines to follow it is our practice not to turn anyone away due to inability to pay.

If you would like to make a donation that will sponsor a child or family please contact the YMCA and talk to one of the management staff, this can be a monthly deduction or a one time fee of any amount.
