We build strong kids, strong families, strong communities.

## Pee Wee Instructional League

Do you want to experience Hoosier Hysteria? Then why not experience basketball with the organization that invented it, the YMCA.

The YMCA Pee Wee Instructional League is an eight-week league that put the focus and emphasis on learning the fundamental skills of the game of basketball. Each week participants will learn a new skill and build on what they learned from the previous week. The last three weeks we will put all the skills together and let the players play a few games.
